

TIMEMASTER[®]

30" WALK POWER MOWERS

"This thing rocks! I have 9000 square feet of turf in my yard. My former mow time with the 22" Toro Recycler was 45 - 50 minutes. My new mow time is now 20 minutes! Love it! It cuts beautifully, and my neighbors on all sides of me are dying to try it on their lawns. Thanks Toro!!!"

PERSONAL PACE® WITH TRACTION ASSIST

Senses and smoothly adjusts to your preferred walking pace. For more challenging areas with uneven terrain, the Traction Assist Handle can help you monitor your speed, and keep you mowing at a comfortable pace.

DUAL-FORCE™ CUTTING SYSTEM

The Dual-Force cutting system and Toro Atomic blades cut grass into a fine mulch for a superior quality of cut and a healthy, lush lawn.

SPIN-STOP™ BLADE STOP SYSTEM

Stops the blade and allows you to briefly step away from the mower, without having to restart the engine.

QUICK STOW STORAGE HANDLE

Two storage positions for easy compact storage.

2 POINT HEIGHT-OF-CUT

Allows you to quickly adjust cutting heights from one side of the mower.

POWERFUL ENGINE

Briggs & Stratton 10.00 ft-lb Gross Torque Professional Series™ 223cc OHV Engine.
